~ Part of your responsibility within your insurance contract is to mitigate/ reduce any further damage from occurring as a result of initial claim damage.

It may be beneficial for your to contact a restoration company for assistance. The following are a few local companies we have worked with in the past.

CAROLINA RESTORATION SERVICES [\(919\) 469-1955](#)

(Due to high volume of requests, they are only taking clients on a referral basis - please make sure you let them know you were referred by Rogers Insurance.)
